**LinkedIn:** [linkedin.com/in/moses-mwangi-a5a2a9316](https://linkedin.com/in/moses-mwangi-a5a2a9316)

**Portfolio:** [mosesmwangi.netlify.app](https://mosesmwangi.netlify.app)

## PROFESSIONAL SUMMARY

Innovative software developer with proven ability to transform complex problems into efficient digital solutions. Combines technical expertise in full-stack development with strong analytical thinking and effective communication skills. Demonstrated excellence through national competition victories and practical implementation of real-world systems. Seeking opportunities to contribute to dynamic projects that challenge technical abilities while fostering professional growth.

## EDUCATION

**Nachu Technical and Vocational College**

*Diploma in Internet Communication Technology (ICT)*

2023 – 2026 (Expected)

## PROFESSIONAL EXPERIENCE

**ICT Technical Support Atachee**

*Kijabe Hospital | January 6, 2025 – April 6, 2025*

**Freelance Software Developer**

*Self-Employed | 2023 – Present*

- **Full-Stack Development:** Designed and developed 5+ web applications from concept to deployment
- **Client Projects:** Created customized solutions for local businesses including WiFi billing systems and POS platforms
- **Project Management:** Managed complete project lifecycle from requirements gathering to post-deployment support
- **Technical Consultation:** Advised clients on optimal technology solutions for their business needs
- **Quality Assurance:** Implemented testing protocols ensuring 95%+ bug-free deployment

## ACHIEVEMENTS & COMPETITIONS

### Gold Medal – ICT Web Development

*KATTI National TVET Fairs & Competitions, 2025*

- Awarded 1st place nationally among 50+ competing institutions
- Recognized for innovative solution addressing real-world business challenges
- Demonstrated excellence in full-stack development and user-centered design

### Silver Medal – ICT Software Solutions for Business

*KATTI Research & Innovation Competitions, 2025*

- Secured 2nd place regionally for functional business software implementation
- Praised for robust architecture and practical application
- Showcased problem-solving skills in competitive environment

## TECHNICAL PROJECTS

**WiFi Billing Management System** | PHP, MySQL, JavaScript, Bootstrap

**Supermarket POS System** | Python, Django, PostgreSQL, JavaScript

**Kenyan Phishing Detector** | Python, BeautifulSoup, Requests, JavaScript

**E-Commerce Platform** | PHP, MySQL, JavaScript, Bootstrap

## TECHNICAL SKILLS

### Programming Languages

- **Expert:** PHP, Python, JavaScript
- **Proficient:** HTML5, CSS3, TypeScript, SQL
- **Familiar:** Bash Scripting, Lua

### Frameworks & Libraries

- **Backend:** Django, REST APIs
- **Frontend:** Bootstrap, jQuery
- **Database:** MySQL, PostgreSQL

### Tools & Platforms

- **Version Control:** Git, GitHub
- **Operating Systems:** Linux (Ubuntu, ParrotOS), Windows
- **Development Tools:** VS Code, Vim/Neovim, Docker, XAMPP, Apache
- **Productivity:** Trello, Notion, Microsoft Office

## PROFESSIONAL SKILLS

- **Problem Solving & Analytical Thinking**
- **Communication & Collaboration**
- **Project Management**
- **Adaptability & Learning Agility**
- **Leadership & Teamwork**
- **Attention to Detail & Quality Focus**
- **Creativity & Innovation**
- **Client Relationship Management**

## LEADERSHIP & VOLUNTEER ACTIVITIES

**Academic Secretary** | *Nachu Technical & Vocational College Student Council*

**Chess Club Coordinator** | *Nachu Technical & Vocational College*

**Technical Mentor** | *Peer-to-Peer Learning Initiative*

## CERTIFICATIONS

- **ICT National Competitions Certification** (KATTI, 2025)
- **Web Development Professional Skills Certification**
- **Linux System Administration Certification**
- **Database Management Systems Certification**

## LANGUAGES

- **English:** Professional Proficiency (Fluent)
- **German:** Intermediate Proficiency (Conversational)
- **Kiswahili:** Native Proficiency
